

AWIPS INFORMATION NOTE 3 (for Electronic Systems Analysts)

Engineering Division

W/OSO321: TES

SUBJECT : AWIPS Consumables

PURPOSE : Provide information about AWIPS consumables to be stocked at the National Logistics Supply Center (NLSC).

INFORMATION

Effective August 31, 1997, the following AWIPS consumables will be cataloged in Engineering Handbook No. 1, Instrumental Equipment Catalog, which will be available for issue at the NLSC:

<u>ASN</u>	<u>Description</u>	<u>Estimated Cost</u>
M100-MP1	Backup Tape (5-tape pack)	\$ 95.00
M100-MP2	Punchdown Block	25.00
M100-MP3	LaserJet 4M+/5M Toner *	50.00
M100-MP4	LaserJet 5SI Toner *	200.00
M100-MP5	1600CM Black Cartridge	36.00
M100-MP6	1600CM Cyan Cartridge	32.00
M100-MP7	1600CM Magenta Cartridge	32.00
M100-MP8	1600CM Yellow Cartridge	33.00
M100-MP9	Head Cleaning Tape (2-pack)	101.00

* Locally recycled with other LaserJet toner cartridges.

REQUISITIONING AND ORDERING

AWIPS systems are being delivered with tapes, toner, and printer cartridges installed. Additionally, kits containing a one-time supply of backup tapes, toner, and printer cartridges will be shipped to AWIPS development and deployment sites without charge.

AWIPS sites are responsible for maintaining sufficient consumables to support operations. Funded requisitions for replenishment of local requirements should be submitted through Consolidated Logistics System in accordance with current logistics procedures.
